

## **P.E Report April 2021 – March 2022**

Wooler First School has been allocated the sum of £17033 in the form of the Primary Sport and PE Grant Income. See below the planned expenditure until March 2022.

<b>Amount</b>	<b>Planned expenditure</b>	<b>Rationale behind expenditure</b>	<b>Benefit and sustainability to school</b>
£5000	To employ specialist sports coaches so children can experience a variety of sports that we cannot provide in school.	For children to develop P.E skills and promote physical fitness. For more children to be active throughout school.	Children experience a wide range of sports, have the opportunity to take part in clubs and develop new skills.
£5180	To employ swimming teachers and keep their training up to date.	For all children to have swimming lessons once a week above the requirements of the National Curriculum. This is important to ensure the safety of all children as they live beside a river.	All children will be able to swim 25 metres by the end of Year 4. They will be confident in the water and able to go on to learn personal survival and life-saving skills in Year 5.
£2650	To employ playworkers to encourage children to be active during lunchtime play.	To encourage more children to be more active during playtimes.	Fewer children will be inactive at lunchtimes and choosing to adopt a healthy lifestyle.
£1000	To provide covid safe equipment play boxes so each bubble has their own equipment to use at play times	To encourage more children to be more active during playtimes.	To build self-confidence, increase their physical fitness and enjoy play times.
£1200	To buy into getset4pe scheme of work to improve the quality of P.E delivered to all children. Teachers are also assessing children in P.E and building a curriculum map, so all skills are covered, ensuring children are taught a broad balanced P.E curriculum.	P.E progression can be seen from Nursery to year 4, building skills so children are really engaged in their PE lessons. The scheme has wellbeing resources and lots of playground activities and active blasts that are based in class so children are becoming more active,	Children will be taught a range of different skills in P.E and the assessment tool will show us which children are inactive and we can target them for afterschool/lunchtime clubs.
£1100	Sports equipment for P.E lessons	For children to have the right equipment to take part in all P.E lessons.	Children experience a wide range of sports.
£500	Travel costs so children can take part in competitive sports.	For children to compete against other schools.	Children have the opportunity to take part in various competitions with other schools.
£400	Supply Costs	For staff to attend CPD courses	Staff are trained and knowledgeable to teach P.E to a suitable level.
